Date of Birth: 12 December, 1990
PB Marathon (2015): 2:06:26
PB Half Marathon (2015): 1:02:06

Biography

Sisay Lemma won the 32nd Vienna City Marathon in 2:07:31 in windy and relatively warm weather conditions in April 2015.

The Ethiopian broke away after 27km and despite battling with headwinds, he achieved the biggest winning margin in the history of the race, coming home more than four minutes clear of his nearest rival in the Austrian capital. It was Lemma's third marathon victory after winning in Carpi in 2012 and Warsaw the following year.

Six months later he had that winning feeling once again when he became the first Ethiopian to win the Frankfurt Marathon. His time of 2:06:26 is also his personal best - beating his previous by 40 seconds - although he was disappointed not to have posted a 2:05, a time he believes he is well capable of producing.

Those two wins were a fitting end to a year that Lemma kicked off with a fifth place finish at the 2015 Standard Chartered Dubai Marathon.
